# About RAA AOL Floor Disinfectants

RAA AOL Floor Disinfectant is an innovative and specialty product manufactured by Ambani Organics Ltd. which is appreciated for its use of unique chemistry in its products.

There are many disinfecting products available in the market today, so why must someone pick RAA AOL products off the shelf?

Well, the answer lies within the chemistry of RAA AOL Floor Disinfectant. The product is integrated with the most advanced and superior disinfecting agent known as **SILVER Ion Technology** infused in Hydrogen peroxide. It also consist of safe concentrations of Eucalyptus Oil.

## Why is it so Important and Effective?

Traditional Floor cleaners simply disinfect the surface when used. But what happens after wiping the surface once?

Every microbe tends to multiply itself even if there is little Microbial Infection left unclean. The solution to this problem lies in the **SILVER Integrated** hydrogen Peroxide formulation of RAA AOL Floor Disinfectant. The RAA AOL Floor Disinfectant offers multi-layer protection.

Layer 1 Protection: - The oxidation of the Hydrogen Peroxide liberated a Sigele Oxygen Molecule. The single oxygen is proven worldwide to impart disinfecting properties.

Layer 2 Protection: - The **SILVER Ion** Technology, interrupts the DNA Strand of the bacteria, which stops the metabolism and multiplication of the bacteria cells

Layer 3 Protection: - Studies have shown that Eucalyptus Oil are active against larvae of house flies thus presenting an eco-friendly option to control mosquitoes and houseflies.

## How to use?

- Simply Dilute 10 ml of RAA AOL Floor Disinfectant with 1 Liters of Water and it will act as a high intensity floor disinfectant for any application.

## Areas of Application

RAA AOL Floor Disinfectant can be used from disinfecting large office spaces, class-room, laboratories, homes etc. Apart from floors, the RAA AOL Floor disinfectant can be used to cleanse windows, table tops, Kitchen counter tops and other surfaces.

## Things to take care off
